**DELIVERY FINANCIAL SER 867355XXXXXX:**

Experian is reporting information on my credit report which I absolutely do not recognize. The reporting by Experian is missing any information about a company name. Not only do I NOT recognize this information, but there is no way for me to contact anyone so I can find out if it's even mine. Obviously your reporting is inaccurate and I certainly can't verify it. Therefore Experian needs to remove it from my report.
