Equifax
PO Box 740241
Atlanta, GA 30374

Dear Customer Service Representative:

AMERICAN HONDA FINAN 178326394:

Equifax is reporting this account as a charged off auto lease when this car was turned in and no balance remained. The car was turned in and per the lease was not over the contract mileage and in excellent condition. There are not terms in the lease that should have resulted in any type of balance after the lease expiration. This account needs to be deleted or corrected in my credit report.

Please provide me an updated credit report with the corrected information. Your expeditious response to this request is appreciated.

Sincerely,

Heather Escobedo

Dear Customer Service Representative:

RECOV MGE SV 2192506:

Trans Union is reporting to my credit report a collection account that was **SOLD**. They shouldn't be reporting an account that they sold it doesn't make any sense. Please **DELETE** this reporting immediately.

GRAND CANYON UNIVERSIT 85XXXX:

Experian is reporting information on my credit report which I absolutely do not recognize. The reporting by Experian is missing any information about a company name. Not only do I NOT recognize this information, but there is no way for me to contact anyone so I can find out if it's even mine. Obviously your reporting is inaccurate and I certainly can't verify it. Therefore Experian needs to remove it from my report.

Please provide me an updated credit report with the corrected information. Your expeditious response to this request is appreciated.

Sincerely,
