Equifax  
PO Box 740241  
Atlanta, GA 30374

Dear Customer Service Representative:

**COMNWLTH FIN D124019359N1:**

Equifax is reporting information on my credit report which I do not recognize. I contacted the company directly and they were unable to find any information regarding the account they are reporting. I don't understand why they can't find information for information that *they* are reporting, but they told me to contact the credit bureaus.

This information must belong to someone else; maybe someone with a similar name or social security number? I only know that **it is not mine**. I just recently sent to you my current identity documentation to update my personal information on my report so you should be able to clearly identify that the information does not belong to me.

**WAKEFIELD 14VIPW:**

Trans Union is reporting incorrectly to my credit report. The *Date of Last Activity* is not correct and I believe there is re-aging happening here. Please correct the DLA to reflect the correct information as this inaccuracy is depressing my credit score.
