Dear Customer Service Representative:

**Bank Of America ChgOffBalV2Why:**

Equifax is reporting my account inaccurately. Also, there are many inconsistencies in this data across the three credit bureaus, which I do not understand - the data is coming from a single company and reported to all three credit bureaus the same way? The following information is inaccurate: balance amount, account status, date reported, payment history, and date of last payment. Please correct the information or remove the account.

Please provide me an updated credit report with the corrected information. Your expeditious response to this request is appreciated.

Sincerely,

PeterTest PanTest
