Equifax
PO Box 740241
Atlanta, GA 30374

Dear Customer Service Representative:

AMERICAN HONDA FINAN 178326394:

Equifax is reporting this account as a charged off auto lease when this car was turned in and no balance remained. The car was turned in and per the lease was not over the contract mileage and in excellent condition. There were no terms in the lease that should have resulted in any type of balance after the lease expiration and return of the vehicle. This account needs to be deleted or corrected in my credit report.

TSI 940 81627580:

I discovered that this account is being reported as a collection with my service provider. My contract with them was cancelled and there was NO balance or equipment fees still due at the time of cancellation. Any collection account is in error and should be **deleted**.

RADIUSGLOBAL 32077399:

The following account is reporting inaccurately. The account status should not be a collection and there should be no balance because it was paid. Equifax isn't even reporting the date that the account first went delinquent - what is that date? I believe this account has been re-aged by RADIUSGLOBAL.

Please provide me an updated credit report with the corrected information. Your expeditious response to this request is appreciated.

Sincerely,

Marcus Escobedo
